

LISCAD™

SURVEY AND CIVIL ENGINEERING
FIELD AND OFFICE SOFTWARE

ANNOUNCING

LISCAD V12.2

MORE FEATURES, MORE FUNCTIONS, MORE PERFORMANCE...

www.listech.com

Designed and developed by LISTECH, an Australian company, LISCAD is a complete field-to-finish system used by thousands of customers in over 100 countries.

LISCAD interfaces with all popular surveying, engineering and CAD systems, New users find LISCAD intuitive, easy to use and quick to learn, with comprehensive tutorials and fast technical support.

FREE evaluation licences allow real-world use before purchasing. The modular design means you only purchase the functionality you require, keeping costs down.

LISCAD is a portfolio of integrated Land Surveying and Civil Engineering software modules.

THOUSANDS OF **SURVEYORS** IN OVER 100 COUNTRIES
RELY ON **LISCAD**
